

TASK 1

Give a short presentation (2-3 minutes) on the following subject:

GRAFFITI

Think about what you can say about the topic. You will be allowed to take down a few guidelines or keywords, which you can have a **brief** look at during the exam.

Please feel free to refer to the photograph briefly, but **do not describe it in detail**.

You might find the following guidelines useful to give your presentation, but they are not compulsory.

- Graffiti: the work of vandals or artists?
- The influence of graffiti on advertising.
- Graffiti and music.
- Public money for street art?

As a further suggestion, you could talk about your own personal experience, or / and compare habits in your country with those from other parts in the world...

Task 2

CHALLENGES

Talk together and say:

- How do each of the photographs relate to the topic?
- Where is the limit to what human beings can do?

Discuss the topic with your partner. It is important to justify your points of view as well as to listen to what your partner says and react (i.e. agree, disagree, add ideas, offer solutions or suggestions...). It is not necessary to describe the photos in detail. Your partner has the same photographs.
